Collections/Production Ratio	0.00%	0.00%	
Plan Collections	$0.00	$0.00	****
Change in Receivables	$0.00	$0.00	****

Fictitious Data

'****' in a column represents no change or a division by 0 which cannot be done.

NOTE: * - These totals will only be valid after / / .
New Patients and Patients Seen may not be exact if Receivables have been recreated for a period of compressed data. Active patients are those patients in the system with transactions within the last two years.
